It would appear from his letter that Mr. Rollo thinks that the privileges allowed to officers included in Appendix I are admissible as a matter of course to all European officers in service. He believes that the omission of his name from the list given in this Appendix is simply due to the fact that he has not asked for its inclusion in it. This, however, is not the position The general rule is that the same Leave

Rules as apply to Indian officers should apply to Europeans as well and the benefit of Special Long Leave Rules is allowed only to a few Europeans specially included in Appendix I. It is not a term of Mr. Rollo's employment to give him the concession of Special Long Leave Rules. It is undesirable to make additions to the list given in this Appendix. If, however, all the other European officers in the Educational Service are allowed this concession, it may be difficult to refuse it in the case of Mr. Rollo; but it cannot be claimed by Mr. Rollo ~~as a matter of course~~ simply because he is a European officer. Nothing is stated in his letter or in that of the University as to why the terms of his employment should now be revised in his favour. If there are any special reasons, the concession may be allowed; otherwise, it is well to refuse the request and permit no more additions to the list.

To

Chief Secretary to the Government of
His Highness the Maharaja of Mysore,

SIR,

I am directed to forward herewith copy of D.O. No.617 of the 23rd September 1924, from Mr.J.C.Rollo, M.A., Offg.Principal, Maharaja's College, Mysore in the matter of the inclusion of his name in Appendix I (Page 214) of the M.S.R. for the kind and favourable consideration of Government.

I have the honour to be,
Sir,
Your most obedient servant,

Registrar.

D.O.No.617, dated the 23rd September 1924, from Mr.J.C.Rollo, M.A., Offg.Principal, Maharaja's College, Mysore, to the Registrar, Mysore University, Mysore.

I write to request that the Vice-Chancellor may kindly recommend to Government the inclusion of my name in the list in Appendix I (page 214) of the Mysore Service Regulations. I do not know how it has come about that I alone of the Europeans in the Educational Service have been omitted from this list, but perhaps it is because I did not apply, not being aware of this provision.

Dt 12/11/24

To

The Registrar,
Mysore University, Mysore.

Sir,

With reference to your letter No.3872 dated the 3rd October 1924 forwarding a request of Mr. J.C.Rollo, Offg. Principal, Maharaja's College, for the inclusion of his name in App.I of the Mysore Service Regulations, I am directed to state that under the terms of his engagement, Mr. Rollo is not entitled to the benefit of the special long leave referred to by him.

Mr. Rollo appears to think that the rules apply to all the European Officers in the Educational Service, and that his name has not been included in the Appendix only because he has not applied for it. The fact, however, is that in the case of all the European Officers of the Educational Service whose names are now included, the inclusion was a matter of contract, being one of the terms on which they were engaged or confirmed. Government have at present no intention of adding to the list of officers included in this Appendix, especially in view of the favourable furlough and study leave rules recently passed.

In these circumstances the Govt.

regret that Mr. Rollo's request cannot be sanctioned.

I have, etc.,

Chief Secretary to Govt.
